MILLIMETER DESIGN issues this drawing (and associated Schedules) with the following conditions and understandings: Upon receipt of same, we understood that the recipient accepts all terms and conditions. The information contained herein, where issued as Planning / Tender , must not be used for the coordination and/or construction of this project. Only build from what is issued as "Construction". MILLIMETER DESIGN does not take responsibility for information scaled off drawings; any measurements taken from information that is not dimensioned, is at the risk of the recipient. All dimensions must be checked on site. Any discrepancies herein between written associated documents, to be reported to MILLIMETER DESIGN immediately. The recipient is responsible for checking that the information as issued herein is correct and complete, by consulting with all other information as issued as part of this package and during the course of the project, inclusive of checking all dimensions on site. This drawing may not be edited or modified without permission from MILLIMETER DESIGN. This drawing is to be read in conjunction with all relevant contractual and specialist drawings, schedules and documentation (both hard copy and soft copy information issued). MILLIMETER DESIGN accepts no liability or responsibility for loss of damage suffered by the recipient arising out of or in connection with the use or misuse of the information issued hereunder. It is acknowledged that the information contained herein is intended solely for guidance purposes and shall not constitute nor form part of any contract entered into between the parties. No reliance shall be placed on the information contained herein or within the associated schedules as issued as part of this pack. The original documents and their copyright remain the property of MILLIMETER DESIGN. The information contained herein is for the intended recipient only. In the event that the information contained herein is changed in any way, all references to Millimeter Design must be removed, and the total responsibility transferred of said changes, become that of the person / company / contractor making those changes. Revised drawings and documents may be issued electronically (soft copy) and it is the responsibility of the recipient to ensure that they are working to current drawings/documents, at all times. In the event that there is more than one version of the information provided, the most recent version shall prevail. The information contained herein is altered or added in any way, all references to MILLIMETER DESIGN must be removed and the total responsibility thereof said alterations / additions, become that of the person/company/contractor making those changes or additions.

Compliance with all Building Regulations, Fire Safety Certificate Approvals, Disabled Access Certificate approvals, and Planning Permission approvals, is the responsibility of the Building Contractor. All information is issued on the express understanding that the recipient accepts these limitations and disclaimers. The terms "document" and "information" in the above, refers to both text documents and drawings in either "hard copy or electronic format"
