

FORM OF TENDER

FOR

PROPOSED STRUCTURAL AND ENABLING WORKS

**AT
CARROLLS IRISH GIFTS
TALBOT STREET**

MAY 2026

FORM OF TENDER

for: Structural and Enabling Works
at: Carrolls Irish Gifts – Talbot Street

Sirs,

Tender

Having examined the Conditions of Contract, Drawings, Bill of Quantities, and Preliminary Health and Safety Plan and all other drawings and information issued for the above, I/we hereby offer to execute and complete the works, as described therein, all to the satisfaction of the Architect and also to provide the services of the Project Supervisor for the Construction Stage for the total sum of (in words):

.....
.....(Eur.....)
made up as follows:-

	Euro
Total Fixed Price (Clause 36 deleted) excluding VAT	€
TOTAL AMOUNT OF TENDER EXCLUDING VAT & BOND	€
. Add Value Added Tax at 13.50%	€ _____
TOTAL AMOUNT OF TENDER INCLUDING VAT	€ _____

Tendered Hourly Rates for Labour

The Contractor should include hourly rates for labour and related costs (including PRSI, benefits, tool money, overtime, travelling time and country money) for each of the categories of labourer listed below. In order to determine the most economically advantageous tender, each rate will be multiplied by a set number of hours and added to the “total amount of tender” figure above to arrive at a total tender figure for the works. Contractors should note that an hourly rate must be included against each of these labour categories in order for their submission to be considered a Bona Fide tender: -

- | | |
|-----------------------|-----------------|
| 1. Apprentices | €..... per hour |
| 2. General Operatives | €..... per hour |
| 3. Craftspersons | €..... per hour |

Tendered Hourly Rates for Plant

The Contractor should include hourly rates for Plant and related costs **including operator** for each of the categories of Plant listed below. In order to determine the most economically advantageous tender, each rate will be multiplied by a set number of hours and added to the “total amount of tender” figure above to arrive at a total tender figure for the works. Contractors should note that an hourly rate must be included against each of these plant categories in order for their submission to be considered a Bona Fide tender: -

- | | |
|--|-----------------|
| 1. Cat 225 Crawler Excavator | €..... per hour |
| 2. JCB Excavator or similar | €..... per hour |
| 3. Dumper | €..... per hour |
| 4. Tipping Lorry (20 -30 tonne capacity) | €..... per hour |
| 5. Mini Digger | €..... per hour |

NAME OF FIRM: _____

ADDRESS: _____

Notes:

1. My/Our offer will remain open for acceptance for a period not exceeding **ninety days** from the date set for the receipt of tenders.
2. The lowest of any tender submitted will not necessarily be accepted by the Contracting Authority. No Contractor will be remunerated for any expense, which he may have incurred in the making up of his tender.
3. Any unauthorised amendments or qualifications to the Form of Tender, Bill of Quantities or any other tender document such as specification changes, changes to P.C. Sums, Provisional Sums or changes to the conditions of contract or the inclusions of any qualifying slips attached to the Form of Tender or any other tender **will** result in immediate disqualification of that tender.
4. The Contracting Authority, in order to secure the most economically advantageous price, reserves the right to deal with the most acceptable offer submitted.
5. We undertake to complete the works in weeks including all holidays.

Note: - Tenderers must include a project time in item 5 as the tender period stated will be part of the tender competition and will be considered by the Employers when appointing a Contractor for the works. The number of weeks stated will be taken to include all public holidays, builder's holidays etc
